

6/28/21

Selectboard Notes Erin:

Copier – Lease ended new lease signed and new copier installed. Will save us approx. \$10-\$15/month

New phone system status – Going well. Everyone has their own mailbox including Delinquent Tax Collector. Message for White's Beach Parking Permit info.

Challenged 90 voters – received about 15 back to be removed. Will be setting up a time to review voter checklist with BCA.

Abatement hearing scheduled for 7/12 @ 5pm. Confirmed with the 2 individuals asking for abatement.

Procedures and how to book – Sam has created book and it's been very helpful

Website – still trying to get domain transferred to us. Cannot proceed with .gov until this is complete.

469 parking permits sold to date

Tech support contract – will sign tomorrow

Quote from COTT – 2015-1980, 35 years = 35-45k. Using 40k \$1,142/year — *ARPA*

Last year, 5 years was approx 8K or \$1,600 a year. This was a discounted rate since they had so many other towns to do. Our indexes are not complete, they require an historical interpretation so this adds to the cost. 40 years is the best practice and ideally, all land records are digitized, including maps.
