### Construction Update

#### South Hero STP HES 028-1(22)

##### South Hero Intersection Improvement Project

---

**TRAFFIC IMPACT AND DURATION:** Monday, May 9 through Friday, May 13, between the hours of 6:30 a.m. and 5:30 p.m., motorists should expect one lane with alternating two-way traffic on U.S. Route 2 (U.S. 2) between Vermont Route 314 (VT 314) and the St. Rose of Lima Church in South Hero. Flaggers will be present to assist motorists throughout the work zone. Motorists should expect delays.

Please be advised, that speeds are reduced to 25 mph along U.S. Route 2 (U.S. 2) and Vermont Route 314 (VT 314) within the project limits. The project limits extend along U.S. 2 for approximately 1,300 feet from just north of the St. Rose of Lima church to just north of Sunrise Drive and along VT 314 to just west of the Mobil Station.

Motorists are reminded to stay alert and slow down through the work zone.

**CONSTRUCTION ACTIVITIES:** Next week, crews will complete drainage work along the southern leg of U.S. 2. Crews will begin installing temporary traffic barriers and impact attenuators along the east side of U.S. 2 between VT 314 and the driveway to 510 U.S. 2. The temporary traffic barrier will shift traffic on the southern leg to U.S. 2 to the west slightly but will allow for two lanes of traffic to be maintained during the replacement of the east segment of the culvert.

**LOCATION:** The South Hero Intersection Improvement Project is located at the intersection of U.S. Route 2 (U.S. 2) and Vermont Route 314 (VT 314) in South Hero, Vermont. The U.S. 2 project limits extend from just north of the St. Rose of Lima church to approximately 1,300 feet to the north, halfway between Sunrise Drive and the Fish and Wildlife Access Road. The VT 314 project limits extend from its intersection with U.S. 2 to just west of the Mobil Station.

**PROJECTED COMPLETION:** December 2022
