Re: Driveway Permit off Sunset View Road for Island Excavating

I would like to express some of my concerns with this driveway permit for Island Excavating.

1. The entrance and exit for the driveway will be at the bottom of a hill on Sunset View Road.
2. Sunset View Road is closed every spring and the driveway will not be able to use while the roads are posted.
3. Exiting off Sunset View Road onto Route 2 has poor visibility for truck traffic.
4. Sunset View Road might be damage with the increase of heavy truck traffic
5. Is there any Zoning about driveways on property lines?

If the driveway is permitted I believe that there should be a gate to prevent public access.

Thank you,
