

TOWN ADMINISTRATORS REPORT

1. I have a conference call with Emily Kloft from NRPC about the 2024 Municipal Planning Grant and whether it would be a good fit for the Town Hall Feasibility Committee. It's this Thursday, August 31st. If Naomi is available, I have invited her to sit in also.
2. After speaking with Peter Zamore about other Grants to help with the Wastewater Study, he and I are meeting with VLCT in hopes of finding another avenue for funding.
3. Al Getler from Community Heart & Soul is waiting in the wings for our decision on whether we will be moving forward with his program. He called today to gather some thoughts from me, and I wanted to see which way the selectboard is leaning before getting back to him.
4. Working on getting a crosswalk put in front of Folsom School as requested by Carol Tremble. Ross is taking care of getting the highway department on board and ordering the signs and I've been trying to reach the school principal. Have left a few messages.
5. Still working with Listers on practices and procedures. Since Cecile is no longer here, Cindy Gokey and Sherry Corbir are teaching me the ropes.
6. Registered for the Town Fair in South Burlington for Wednesday, September 27th from 8-4:30.
